1 Creating A New FSCSC Application from Home

1.1 Basic Information

The FSCSC application was developed to be accessed by customers with Level 2 eAuthentication access. The FSCSC application allows applicants to:

- create/ submit a new FSCSC application
- view/modify an existing FSCSC application
- print an FSCSC application.

County offices will receive notification when FSCSC applications have been submitted or modified.

1.2 Create FSCSC Application

The FSCSC Application can be accessed by navigating to the following link;

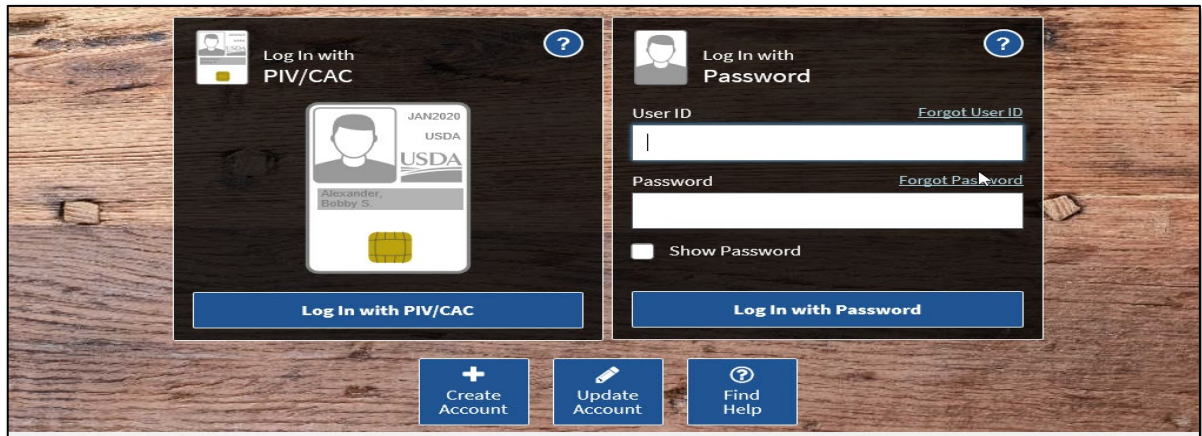

<https://apps.fsa.usda.gov/FSCSC/index.jsp>

- CLICK “**Login**”. The “My Application Screen” is displayed.

The screenshot shows the FSCSC website interface. At the top, there is a green header with the text "FSCSC | Food Safety Certification for Specialty Crops". Below the header, the main content area is white and contains the following text: "Welcome to FSCSC", "This Farm Service Agency website is provided for operations to apply for the Food Safety Certification for Specialty Crops (FSCSC) Program.", and a blue "Login" button. Below the button, there is a paragraph of text: "USDA Secretary Tom Vilsack announced the Food Safety Certification for Specialty Crops (FSCSC) Program. USDA is providing critical support to specialty crop operations impacted by the effects of the COVID-19 outbreak through FSCSC. FSCSC aids specialty crop operations that faced increased costs with food safety audits and certification during calendar years 2022 and 2023." At the bottom of the page, there is a dark grey footer with the heading "Resources" and two links: "FSA.gov" and "USDA.gov".

- Enter EAuth User ID and Password and click “**Log In with Password**”.

The Applicant Selection Screen is displayed, which includes the user themselves and any other applicant for which the user has representative capacity.
