

WHIP+ D3 and D4 Eligible Counties - 2019

as of 3/2/2020

The Wildfire and Hurricane Indemnity Program Plus (WHIP+) provides disaster payments to producers to offset losses from hurricanes, floods, tornadoes, typhoons, volcanic activity, snowstorms, and wildfire. WHIP+ is specifically targeted to losses of crops, trees, bushes, and vines that occurred in the 2018 and 2019 calendar years for producers located in a county that received a qualifying Presidential Emergency Disaster Declaration of Secretarial Disaster Designation.

An update in February 2020 expanded program eligibility to counties that experienced D3 or D4 drought in 2018 and 2019.
